

## **Directions:**

*465 Paul Road is a very large building occupied by a number of tenants. DOTCORN is in the northeast corner of the building off Aviation Drive. On the west side of the building is a huge parking lot. Don't park there !*

**Directions hint:** Enter "Aviation Avenue - Rochester 14624" in your GPS or Mapquest. This is the side street off Paul Road that actually gets you to our parking area. We are in the building on the right (west) side of Aviation Drive. There are 2 entrances for DOTCORN.

The first driveway leads to a small parking area and the door to DOTCORN is near the dumpsters in the far left corner. Enter though DOOR O if we've forgotten to put our Dog Training sign on the door 😊, turn right then take the door on the left and you are in the obedience area. It's OK to park in the No Parking spots at night and on weekends.
